

Setting up the Dial Judging System in 10 steps

1. Download the Dial Judging software [here](#).
 - Optional – Full source on GitHub: <https://github.com/SmilesAir/DialJuder>
2. Unzip into a folder on your computer. You should see something like this

- The 4 .bat files at the bottom are shortcuts to start each program. If those don't work, you can manually browse to the .exe in the folders.
3. Run the Server.bat. It may take a minute to startup the first time.
 - Allow it pass through the firewall

4. Enter the teams and judges and press the import buttons

The screenshot shows a software window titled "Server - 10.19.11.6:62338 - DialJUDGEserverSave.txt". It has a menu bar with "File", "Settings", and "Help". The main area is divided into three columns: "Teams", "Results", and "Clients".

- Teams:** Contains the text "Ryan Young, James Wiseman" and "Jake Gauthier, Matt Gauthier". A red box highlights this text. Below it is an "Import" button with a red arrow pointing to it.
- Judges:** Contains the text "Paul Kenny, General" and "Randy Silvey, General". A red box highlights this text. Below it is an "Import" button with a red arrow pointing to it.

At the bottom of the window, there is a status bar with the following information:

- Now Playing: Need To Set Playing Team
- Time Remaining: 0:06
- Settings
- Routine Length Minutes: 0.1

A large red text overlay in the bottom-left corner reads "Set Playing Team".

5. Click Set Playing on the first team

The screenshot shows the same software window as in step 4. The "Teams" section now has a "Set Playing" button next to the team name "Ryan Young, James Wiseman". A red arrow points to this button. The "Judges" section also has a "Set Playing" button next to "Jake Gauthier, Matt Gauthier".

Below the main area, there is a table with the following data:

Set Playing	Team	Total Points	Rank	Scratch	Clear Scores	Time Calls	10s	15s	20s	30s	1m
Set Playing	Ryan Young, James Wiseman	0.0	N/A	Scratch	Clear Scores	Time Calls:	10s	15s	20s	30s	1m
Set Playing	Jake Gauthier, Matt Gauthier	0.0	N/A	Scratch	Clear Scores	Time Calls:	10s	15s	20s	30s	1m

At the bottom of the window, the status bar now shows:

- Now Playing: Ryan Young, James Wiseman
- Time Remaining: 0:06
- Settings
- Routine Length Minutes: 0.1

A large green text overlay in the bottom-left corner reads "Click on First Throw".

6. Set the routine length

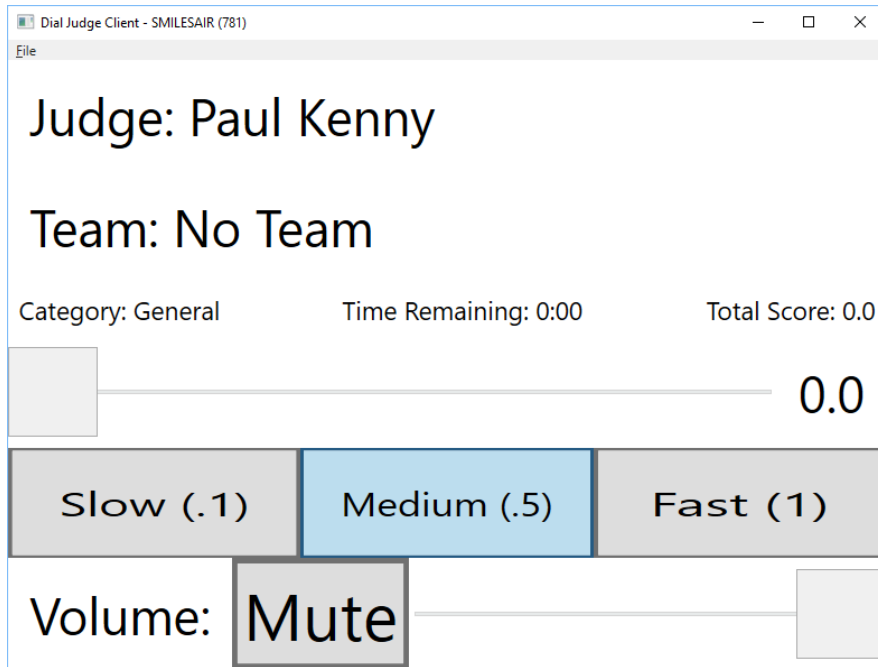

The screenshot shows the 'Server - 10.19.11.6:62338 - DialJudgeServerSave.txt' application window. The interface is divided into three main sections: Teams, Results, and Clients. The Teams section lists Ryan Young, James Wiseman and Jake Gauthier, Matt Gauthier. The Judges section lists Paul Kenny, General and Randy Silvey, General. The Results section shows two rows of data for 'Set Playing' with 'Total Points: 0.0 Rank: N/A'. The Clients section shows a table with columns for 'Scratch', 'Clear Scores', 'Time Calls', and time intervals (10s, 15s, 20s, 30s, 1m). A 'Settings' tab is active, showing 'Now Playing: Ryan Young, James Wiseman' and 'Time Remaining: 3:30'. The 'Routine Length Minutes' field is highlighted with a red box and contains the value '3:30'. A large green text overlay reads 'Click on First Throw'.

7. Run Client.bat from the folder where you unzipped the files. It may take a minute for the program to open the first time.

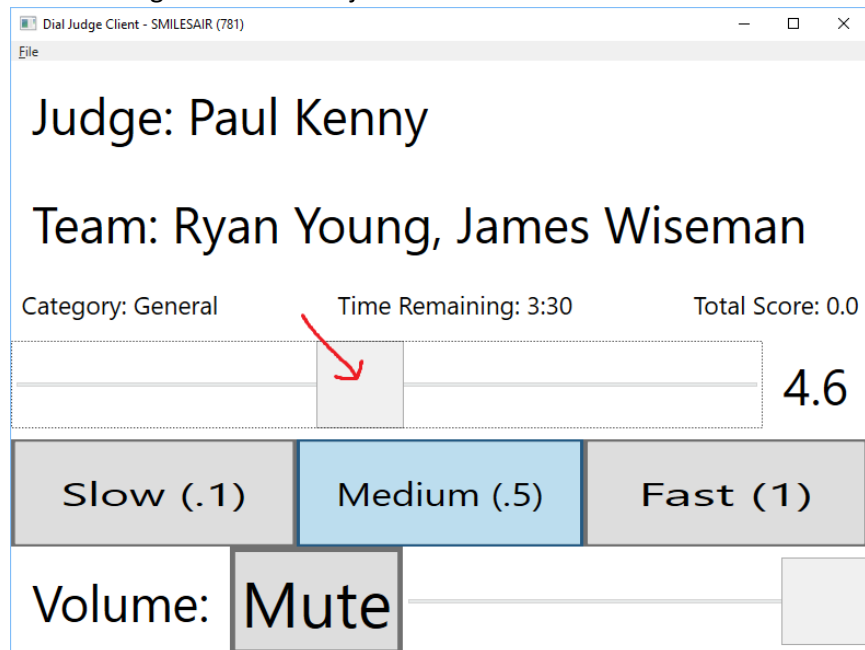

- **You can run multiple Clients on the same computer. You can also run additional Clients on computers on the same LAN**
- Allow the Client through the firewall

The screenshot shows a 'Windows Security Alert' dialog box. The title bar reads 'Windows Security Alert'. The main content area has a green header with the Windows Defender logo and the text 'Windows Defender Firewall has blocked some features of this app'. Below this, it says 'Windows Defender Firewall has blocked some features of Client on all public and private networks.' The app details are: Name: Client, Publisher: Unknown, Path: C:\users\ryan\desktop\dialjudgebins\client\client.exe. Under 'Allow Client to communicate on these networks:', both 'Private networks, such as my home or work network' and 'Public networks, such as those in airports and coffee shops (not recommended because these networks often have little or no security)' are checked. A red box highlights the 'Public networks' checkbox. At the bottom, there are 'Allow access' and 'Cancel' buttons.

8. You should see a window like this

- You can drag the slider to adjust the score

9. On the Server window, press the Click of First Throw button to start judging
